IF ADDING DEPENDENT(S) (continued)

If my plan is rescinded or canceled, I will receive from my insurer a notice at least 30 days prior to the effective date of the rescission explaining the reasons for the intended rescission and my right to appeal that decision to the Commissioner of Insurance pursuant to subdivision (b) of Section 10273.4 of the California Insurance code. Notwithstanding subdivision (a) of Section 10273.4 or any other provision of the law, I understand that after 24 months following the issuance of my health plan or insurance policy, my insurer may not rescind my health plan or insurance policy for any reason, and shall not cancel my health plan or insurance policy, limit any provisions of the health plan or policy, or raise premiums due to any omissions, misrepresentations, or inaccuracies in the application for, whether willful or not.

<u>I understand</u> that any persons, business, or health plan that suffers a loss because of false declarations contained in this statement may have cause to bring civil action against me to recover their losses.

The representations made are the basis upon which coverage may be issued. The coverage may be cancelled or the employer's contract rescinded because of the performance of an act or practice constituting fraud or making of an intentional misrepresentation of a material fact to an insurance company for the purposes of defrauding the company.

I have READ, UNDERSTAND and ATTEST that I myself and my dependents have met all of the eligibility requirements.

IMPORTANT: Regarding Steps C and D, plan changes are only allowed at Renewal. However, employees who acquire a new dependent (i.e. newborn, new spouse etc.) are able to change their coverage outside of the Renewal Period.

California law prohibits an HIV test from being required or used by health care service plans as a condition of obtaining coverage.

MANDATORY BINDING ARBITRATION

<u>I understand</u> that, if I select a Health Plan that uses mandatory binding arbitration to resolve disputes, I am agreeing to arbitrate claims that relate to my or a dependent's membership in the Health Plan (except for Small Claims Court cases and claims that cannot be subject to binding arbitration under governing law). <u>I understand</u> that any dispute between myself, my heirs, relatives, or other associated parties on the one hand and the Health Plan, any contracted health care providers, administrators, or other associated parties on the other hand for alleged violation of any duty arising out of or related to membership in the Health Plan, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. <u>I agree</u> to give up our right to a jury trial and accept the use of binding arbitration. <u>I understand</u> that the full arbitration provision is in the Health Plan's coverage document, which is available for my review.
